Written by Heather Pierce Stigall
Illustrated by Natallia Bushuyeva

PAISLEY'S BIG BIRTHDAY

When Paisley hops out of bed the morning of her birthday, she expects to be all things “big bunny.” But when still finds herself in bunnygarten, sputters while trying to read, and flops while trying to complete the hopstacle course, she wonders if it’s really her birthday at all. When will she finally be big?

This sweet picture book about having patience as we grow is for everyone, ages 4 and up.
